

/ Electrical Characteristic Curve

This architectural drawing shows a cross-section of a building. At the top, there is a horizontal line with labels 'A' and 'C' indicating dimensions or sections. Below this, a large black rectangular area represents a solid structure, possibly a wall or floor slab. The main part of the drawing depicts a staircase with multiple steps, shown as a series of parallel lines. To the left of the staircase, there is a section labeled 'B' and a detail view showing a circular element, possibly a door or window. To the right, there is a section labeled 'C1' and a detail view showing a circular element. The drawing includes various structural lines, such as vertical and horizontal lines, and labels like 'a1', 'b1', and 'c1' indicating specific dimensions or components. A small detail view at the bottom left shows a section of a wall or floor with a circular element and a label '3°'. The overall drawing is a technical representation of a building's internal structure and circulation.
